***Privacy Information:**
We process the data sent to us in connection with an application in order to assess the applicant's suitability for the Mentoring Program and to carry out the application process. Applicants' data will be deleted following the conclusion of the application process in the event of a rejection. In the event of acceptance into the Mentoring Program, the data from the successful application that is necessary for the program's implementation will continue to be stored (legal basis: Article 6(1)(f) of the GDPR) and deleted once the statutory and funding body-specific retention periods have expired. In principle, only those individuals within our organisation who require access to applicants' data in order to ensure the proper conduct of our application process have access to it. Further information on data processing can be found in our privacy policy at pap-berlin.de.
